

Karim Ahmed

Bug Hunter | VAPT | Penetration Tester | Web Application Security | ISO 27001 | SOC | Log Analysis
Indore, M.P, India | +91 9302153671 | karimahmed7865@gmail.com | linkedin.com/in/karim-ahmed-sheikh-a7605b286

PROFESSIONAL SUMMARY

Cybersecurity professional with 1 year of experience in Vulnerability Assessment and Penetration Testing (VAPT) across web applications and APIs, with a focus on threat intelligence. Skilled in balancing offensive security (red teaming) with defensive analysis (blue teaming) to secure digital assets. Proficient in Burp Suite, Metasploit, and Wireshark, with strong manual exploitation and reconnaissance skills, including dark web intelligence. Proven track record of identifying critical vulnerabilities and delivering actionable remediation strategies.

TECHNICAL SKILLS

Web Security: Web Application Security, Penetration Testing, OWASP Top 10, Active Directory Security, Network Security, SSH Security

Security Tools: Nmap, Burp Suite, Metasploit, Nikto, SQLMap, Hydra, NetExec, Gobuster, Wireshark, John the Ripper, ssh2john, CrackMapExec, Ligolo-Ng

Recon & OSINT: Subdomain Enumeration, Google Dorking, Asset Discovery

Networking: TCP/IP, HTTP/HTTPS, DNS

Operating Systems: Linux (Kali), Windows

Security Operations: Log Analysis, SIEM Management, Incident Response, Intrusion Detection & Prevention, Vulnerability Assessment, Phishing Detection, Threat Intelligence

PROFESSIONAL EXPERIENCE

Cyber Security Engineer Intern | Avijo Pvt. Ltd – Healthcare Technology (Remote) 10/2025 – 04/2026

- Performed web application security testing covering XSS, SQL injection, CSRF, and IDOR vulnerabilities
- Conducted reconnaissance and OSINT, including subdomain enumeration and DNS analysis
- Used Nmap, Burp Suite, and Nikto to perform vulnerability assessments
- Authored proof-of-concept (PoC) reports and recommended security mitigations
- Assisted with incident analysis and ongoing security monitoring

Cybersecurity Intern | Appin Technology Lab, Indore, M.P., India 05/2025 – 10/2025

- Completed a 6-month internship covering security fundamentals, vulnerability analysis, and real-world offensive/defensive labs
- Recognized for strong learning ability, punctuality, and self-motivation; overall performance consistently exceeded expectations

PROJECTS

Advanced P4 Vulnerability Scanner

- Developed an AI-assisted scanner that detects critical web vulnerabilities, including missing security headers and insecure CORS
- Automated the scanning workflow for faster, more reliable vulnerability detection

X1st – Automated Reconnaissance Tool

- Built a lightweight, high-speed Bash-based recon tool integrating Subfinder, Amass, httpx, httpprobe, and Nmap
- Automated subdomain enumeration, live host detection, and port scanning; generated structured output for bug bounty

AI-Based Phishing Detection Scanner

- Created an AI-powered tool that identifies malicious URLs in real time by analyzing SSL certificate validity and URL patterns
- Delivered both CLI and GUI versions for broader accessibility

CERTIFICATIONS

ISO/IEC 27001:2022 Information Security Management Systems (ISMS) – Securium Academy | Pre Security – TryHackMe (THM) | Certified Network Security Practitioner (CNSP) – The SecOps Group | Junior Cybersecurity Analyst – Cisco | Dark Web Analysis – EC-Council | Certified Red Team Operations Management (CRTOM) – RED TEAM LEADERS | Certified LLM Security Professional (CLLMSP) – RED TEAM LEADERS

KEY ACHIEVEMENTS

NASA – Vulnerability Disclosure Program (VDP)

- Recognized by NASA for contributions to its Vulnerability Disclosure Program; received an official Letter of Recommendation
- Featured in the NASA VDP Hall of Fame on Bugcrowd for ethical security research and responsible vulnerability reporting

ACADEMICS

B.Tech, Information Technology | Swami Vivekanand College of Engineering, Indore 08/2021 – 06/2025

Diploma, Info Security & Ethical Hacking | Appin's Technology, Indore 02/2024 – 08/2024

DCA & PGDCA (1-Year Diploma) | Maa Computer Education, Indore 04/2018 – 04/2019

Higher Secondary (10th & 12th) | Prerna Bal Niketan H.S.S, Indore

LANGUAGES

English, Hindi, Urdu
